

Glossary of selected tableGenerator columns

American Indian/Alaska Native Students [Public School]

This is the number of students having origins in any of the original peoples of North America, and who maintain cultural identification through tribal affiliation or community recognition as reported by each school.

ANSI/FIPS State Code [Public School]

This is the two digit American National Standards Institute (ANSI) Code. This standard provides a set of two-digit numeric codes for representing the 50 states, the District of Columbia and the outlying areas of the United States. This code was formally known as the Federal Information Processing Standards (FIPS) state code.

Asian or Asian/Pacific Islander Students [Public School]

This is the number of students having origins in any of the original peoples of the Far East, Southeast Asia, the Indian subcontinent, or the Pacific Islands as reported by each school.

NOTE: Prior to 2008-09, this count includes Asian, Hawaiian Native, and Other Pacific Islander students. Starting in 2008-09, this count only includes Asian students; Hawaiian Native and Other Pacific Islander students are shown in a separate student count.

Black or African American Students [Public School]

This is the number of students having origins in any of the black racial groups of Africa as reported by each school.

Charter School [Public School]

This is a flag for a Charter School. A charter school is one that provides free elementary and/or secondary education to eligible students under a specific charter granted by the state legislature or other appropriate authority.

County Name [Public School]

This is the name of the county within which the school resides.

NOTE: Prior to the school year 2002-03, county name was not collected on the Public Elementary / Secondary School Universe survey. For the earlier years, the county name is from the Local Education Agency (School District) Universe survey.

County Number [Public School]

This is the three digit American National Standards Institute (ANSI) code for the county, formally known as the Federal Information Processing Standards (FIPS), based on the location city (LCITY) of the school. Together with the state ANSI/FIPS code, it uniquely identifies each county. For more information on ANSI codes go to: <http://www.census.gov/geo/www/ansi/ansi.html>

NOTE: Prior to the school year 2002-03, county number was not collected on the Public Elementary / Secondary School Universe survey. For the earlier years, the county is number from the Local Education Agency (School District) Universe survey.

Highest Grade Offered [Public School]

This is the highest grade taught at the school. If grade span data are not reported, the information is calculated using the reported student information. Grades are represented in a 2 character format.

PK: Prekindergarten
KG: Kindergarten
01-12: Grades 1 to 12
UG: Ungraded
AE: Adult Education.

Hispanic Students [Public School]

This is the number of students having Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish culture or origin, regardless of race as reported by each school.

Lowest Grade Offered [Public School]

This is the lowest grade taught at the school. If grade span data are not reported, the information is calculated using the reported student information. Grades are represented in a 2 character format.

PK: Prekindergarten
KG: Kindergarten

01-12: Grades 1 to 12
 UG: Ungraded
 AE: Adult Education.

Magnet School [Public School]

This is a flag for a Magnet School. A magnet school or program is a special school or program designed to: attract students of different racial/ethnic backgrounds for the purpose of reducing, preventing, or eliminating racial isolation; and/or to provide an academic or social focus on a particular theme (e.g., science/math, performing arts, gifted/talented, or foreign language). Starting SY2022-23, CCD discontinued the release of Magnet status data. The data are collected and released through the [Civil Rights Data Collection \(CRDC\)](#).

Nat. Hawaiian or Other Pacific Isl. Students [Public School]

This is the number of students having origins in any of the original peoples of the Far East, Southeast Asia, the Indian subcontinent, or the Pacific Islands as reported by each school.

School ID - NCES Assigned [Public School]

This is the twelve-digit unique identifier assigned to the school by NCES consisting of the two-digit ANSI state code, the unique five-digit code for the LEA and the unique five-digit code for the school.

School Level (SY 2017-18 onward) [Public School]

Starting with the 2017-18 files, School Level is from the corresponding low and high grade span values as follows:

Level	Definition/Logic Used
Prekindergarten (NEW)	GSLO = PK and GSHI = PK
Elementary	Grade K, 1, 2, 3, or 4 offered, number of elementary grades greater than number of middle grades
Middle	Grade 5, 6, 7, or 8 offered, number of middle grades greater than number of elementary or secondary grades
Secondary (NEW)	Grade 9, 10, or 11 offered, number of secondary grades greater than number of middle grades, no grade 12 offered
High	Grade 12 offered, if other secondary grades offered, number of secondary grades greater than number of middle grades
Other	Both elementary and secondary/high grades or grades in all 3 levels (elementary, middle, secondary/high)
Ungraded (NEW)	GSLO = UG and GSHI = UG (no change)
Adult Education (AE)	GSLO = AE and GSHI = AE (no change)
Not Applicable	GSLO = N and GSHI = N (no change)
Not Reported	GSLO = M and GSHI = M (no change)

School Name [Public School]

This is the name of the public school.

State Abbr [Public School]

This is the USPS abbreviation for the state.

State Name [Public School]

This is the name of the state.

Total Race/Ethnicity [Public School]

This is the total number of students reported by race-ethnicity. This does not include students of unknown or unreported racial/ethnic backgrounds, so it may not match the total enrollment reported for the school.

Total Students, All Grades (Excludes AE) [Public School]

This is the total number of students as reported by each school. A student is an individual for whom instruction is provided in an elementary or secondary educational program under the jurisdiction of a school, school system, or other educational institution. This count excludes adult education students, which is the number of students enrolled in adult education courses provided by the public elementary/secondary school system.

Two or More Races Students [Public School]

This is the number of students having any combination of two or more races and not Hispanic/Latino ethnicity as reported by each school.

White Students [Public School]

This is the number of students having origins in any of the original peoples of Europe, North Africa, or the Middle East, as reported by each school.
